Welcome to D15

A Modern and Flexible Venue in Copenhagen

D15 is a unique venue in Copenhagen, housed in a beautifully transformed industrial building from the 1960s. Located in the heart of the city's creative district, D15 combines industrial heritage with contemporary design to create an inspiring setting for conferences, meetings, gala dinners and exceptional events.

Let's create somthing extraordinary

Possibly Denmark's Best Conference Hall

Are you planning your next, conference, product launch or gala dinner, we'd love to help you create an exceptional event.

D15's conference hall is arguably one of Denmark's finest venues for events accommodating between **150 and 1.000 participants**.

The hall's unique design creates an exceptional atmosphere where guests are seated close to the stage, allowing speakers to engage with their audience in a way few other venues can offer.

D15

D15 is designed for flexibility

Meeting Rooms & Breakout Spaces

D15 offers **10 flexible meeting rooms and breakout spaces**, ranging from **45 to 250 m²**. Ideal for workshops, breakout sessions, board meetings and smaller group discussions, each room can be configured to suit your event requirements.

All meeting rooms are equipped with **standard AV technology**, including a large display, sound system and high-speed Wi-Fi, ensuring a seamless meeting experience

The Heart of Every Event

Foyer & Café

The foyer is the natural hub of D15, connecting every part of the venue and providing an inviting space for exhibitors, networking and informal gatherings.
With direct access to the conference hall, meeting rooms, café and basement exhibition area, it is the ideal setting for:

- Guest registration & welcome
- Meet & greet
- Networking
- Coffee breaks & refreshments
- Exhibitions and sponsor displays

We create special events and celebrations

Gala Dinners, Awardshow and Celebrations

We have expanded our main hall to create even greater opportunities for spectacular events. Our newly renovated venue now accommodates exclusive gala dinners or shows for up to 550 guests seated at round tables.

The hall is divided into four elegant levels, creating a distinctive atmosphere and giving every event a truly memorable character. Combined with our experienced chefs and professional service team, we deliver an exceptional experience where gastronomy, service and ambience come together seamlessly.

A Stage for Extraordinary Experiences.

A New Destination for Live Entertainment

From concerts and comedy to live podcasts, TV-shows, award shows and cultural events, D15 offers a flexible venue for unforgettable live experiences.

With capacity for **up to 1,500 standing guests**, professional production facilities and a unique auditorium that brings audiences closer to the stage, D15 is the ideal setting for events of every scale.

Our flexible venue can accommodate everything from intimate performances with a hundred guests to large-scale standing concerts with full stage production.

D15 is built for Live Entertainment

D15

D15 have a exceptional accessibility
